# 80V Conversion Equipment Battery Pack

Lithium-Ion Battery; ...

First off, as far as I can tell, this battery pack is actually two independent 40V packs in the same housing. Seems that the tool you plug the battery into is what either wires the two packs into parallel for 40V 5.0Ah or into series for 80V 2.5Ah. I have specified in the pictures what I will refer to as cell group "A"; and cell group "B";.
