American Capacitor Corporation is a film capacitor manufacturer. Capacitors can be supplied in all dielectric systems, including SuperMetallized Polypropylene, Metallized Polypropylene, Metallized ...

We are a professional capacitor manufacturer focusing on snap-in, screw terminal, radial type aluminum electrolytic capacitors, and film capacitors. Since its establishment in 2008, Liron has been studying and researching continuously to make better products. Our superior capacitor can match low ESR, long lifetime, low resistance, low leak ...

Xuansn Electronic is one of the most professional electrolytic capacitor manufacturers and suppliers in China, with bulk high quality products in stock. Please feel free to wholesale customized electrolytic capacitor at competitive price here and get quotation from our factory.

Panasonic is the #1 supplier of custom DC-Link capacitors in the xEV market. We are able to support customers" global production strategies through manufacturing facilities in Europe, ...

With hundreds of combined years of electrical design capabilities, the Electrocube team precision designs, manufactures and tests custom film capacitors to meet client"s specifications - including unique sizes, cases, fills, wraps, configurations and terminations for any application. A dedicated partner with clients, Electrocube"s continuous, personalized design engineering ...

Since September 2006 Hachmas capacitor plant is operating within the structure of the Ministry of Defence Industry of Azerbaijan Republic. "Capacitor" plant is a specialist in repair of optical ...

WIMA, a distinguished German manufacturer, specializes in producing a wide range of capacitors essential for various industries. Since its establishment in 1948, WIMA has been at the forefront of capacitor technology, offering high-quality solutions tailored to meet the demands of professional electronics applications worldwide.

HVC Capacitor Manufacturing Co., Ltd is an emerging professional manufacturer of high voltage ceramic capacitor and high voltage resistor. Founded in 1999, with production plant of 6000sq meter in Southern China, we are specialized in high voltage components, such as HV ceramic caps and HV resistor custom production.

Vishay meets special customer requirements for capacitors by providing customized, customer-specific and application-specific products. These are available across Vishay"s broad range of ...
