RCRA Subtitle I provides a comprehensive regulatory program USTs storing petroleum or certain hazardous substances. Subtitle C of RCRA was enacted in 1976, replacing the Solid Waste Disposal Act and the Resource Recovery Act. Subtitle C (RCRA &#167;&#167;3001-3023) establishes the national hazardous waste management program.

Syncing Issues: If you have a softcoded subtitled video, the video and subtitles are placed in a separate file. As a result, your media player would need to decode and encode the subtitles over the videos while playing, which can increase your CPU usage. As a result, your subtitles and videos may become out of sync.
