

Honduras Lithium Battery Parts Factory

Installed without hassle on my 07 Suzuki Boulevard M50. It comes with a plastic base addition to make the battery taller which I didn't need. Of note, my bike is not listed as a compatible model by the manufacturer, but the VZ800 and VL800 are listed, and these bikes often have interchangeable parts, so I took a chance, and it fits great.

Freight forwarders, such as myGermany, pay attention to the following on the outer packaging: Identify charger type (e.g. lithium-ion batteries) Class 9 lithium battery label UN Directorate General identification number Name and address of the sender or recipient Markings such as the one below for lithium batteries must be permanently affixed ...
