iPhone Repair and Service. We're here to help. Apple-certified repairs are performed by trusted experts who only use genuine Apple parts -- designed, tested, and manufactured for Apple's safety and performance standards.

I have many answers to your question: Your Prime battery is under warranty for 10 years, so until then the cost is zero. Your Prime battery is not likely to fail for 15 years, so it is not likely to cost anything. Retail price today is likely to change in 10 to 15 years so you will get an inflated price now compared to when you need it.
