

How to return the battery of smart electric cabinet

?Low Battery Auto-unlock?Low-battery status with a long beep, the lock can be used approximately 25 times, when battery is too low, the lock will automatically open, ...

Replaced the original 10 year old 12 volt battery in our 2014 Smart with this nice AGM battery from Costco which is 1.5 " longer than the original. Costco assured me that if it didn't fit I could return it. It did indeed fit, with no problem slipping it into the battery well under the passenger side floor carpet.

HOLKPOILOT Puck Lights with Remote Control, Under Cabinet Lighting Battery Operated, Under Counter Cabinet Puck Lighting, Kitchen Cabinet Lights Wireless Stick On Lights White (4pack) 4.2 out of 5 stars 5,453

Push the second right-most battery cabinet into position, align with the seismic anchoring (if any), and level the battery cabinet as described in step 2 and step 3. Install the ten interconnection screws (five in the front and five in the rear) between the two battery cabinets.
