Technology cost trends for lithium-ion batteries, 2015-2021 - Chart and data by the International Energy Agency.

Sometimes, a price cluster with a high or low spike stands out. In a price cluster, prices are grouped within a tight range over time. You can ignore the price spikes by using the price cluster to draw the trend line. The Coca-Cola (KO) chart below shows an internal trend line formed by ignoring price spikes and using price clusters instead.
