

# Manila energy storage meter manufacturer direct sales

Acrel Co., Ltd., as a Chinese power meter manufacturer, provides smart power meters and systemic solutions of energy efficiency management and electrical safety for users. [Click here](#) to learn more about Acrel meters and energy efficiency and safety solutions.

IT has become an accepted notion that if a substantial portion of our electricity supply is to be sourced from renewable energy (RE), some large-scale forms of energy storage are going to be necessary to compensate for the variable generation of the two easiest and most economical forms of RE to deploy -- solar and wind. Batteries are the default solution for now, ...

As the first smart metering enterprise that exports smart meter "Designed and Made in China", KAIFA has delivered more than 40 million smart meters to Europe and over 70 million smart meters to over 80 utilities in 33 countries around the world.
