

New Zealand outdoor battery recommendation

Rafting. The combination of challenging rapids and gorgeous scenery makes whitewater rafting one of New Zealand's most thrilling adventure activities. Visitor numbers and weather restrict the main rafting season to October to May, and most companies set an age limit at 12. You'll usually be supplied with everything except a swimming costume and an old pair of trainers and, after ...

Day 5 - Waitomo Caves. Waitomo is one of New Zealand's best destinations for adrenaline activities. Get ready to squeeze, swim, slide and climb your way through some seriously awesome caves. There are numerous trips, tours, and trails ranging from the more sedate, where you can check out the glow worms all the way up to epic caving and black water ...

Dyson vacuum cleaners - or at least the battery powered stick vacuums, which is what I assume most people would be referring to here - do in part justify their pricetag by being objectively the best product in that market segment.

It's worked great for me with a moderate sized lawn. I've seen some people concerned about power with battery mowers but that's never been a problem for me. There's been maybe one time I can think of when the battery's gone flat, which was also when grass was longer and wetter than usual. If that happens then it's maybe 30 to 40 minutes of ...
