flight's scheduled departure time. We encourage all passengers to plan to arrive in the gate area no later than this time. 10 minutes prior to scheduled departure time: All passengers must obtain their boarding passes and be in the gate area available ...

Ramp agent can be a launching point just for the fact that once you're in the company you can go anywhere after your first year. If you want to move up you can, but i know guys who make 6 figures a year just slinging bags. Turns aren't that stressful unless you let them be. The ramp agent moto for any airline is &quot;one bag at a time&quot;

Southwest-operated flights currently have open seating, and we strongly suggest that Customers using POCs in the aircraft preboard so they can secure an aircraft seat that meets safety requirements. Customers should request preboarding from a Customer Service Agent at the ticket or departure gate counter prior to the start of boarding.

The TSA agent was baffled by the size of the battery. Upon completing the swab test, she handed me the battery and told me that TSA has no problem flying with the battery, but rather the airline would give me more push back. I told her that I called Southwest prior to the trip and Southwest said they allow what TSA allows.
